

The City Council of the City of Plainville met in a special session at the Rooks County Sheriff's office. The meeting began at 5:30 PM. Council Members present were Daryl Sherraden, Colton Wise, Ryan Weltmer, and Deb Meyers. Mayor Quentin Meyers and Councilmember James Balthazor were absent.

The Governing Body for the City of Stockton, Kansas was present.

Mike Younger with EBH Engineering described the different water treatment options that are available to the City of Plainville.

There was no objection to further discussions being held regarding the creation of a wholesale water district. EBH Engineering will get further details of this option and update both Governing Bodies at a future meeting.

The meeting was adjourned at 6:30 PM.
